The tour starts in the Lithuanian capital city Vilnius and finishes in the Polish capital city Warsaw, both cities famous for their Old towns designated as World Heritage Sites by UNESCO. The tour program also includes Druskininkai Spa Resort and Dzūkija National Park in Lithuania, cycling around Suwalki Lakeland with Wigry and Biebrza National Parks in Poland. Experience a wide variety of towns, villages and countryside for an excellent introduction to the very distinct characters of these two different countries which had a common history known as the Polish – Lithuanian Commonwealth in 16-18th C!

The tour begins in Vilnius where you get your tour maps with detailed program and route description. Next day your rental bikes will be ready for your first ride in Trakai. This trip is a half-guided tour ie during the whole trip our driver with a minibus and bike trailer is with you and you can take part in city tours (Vilnius & Warsaw) lead by professional guides. Our driver will transport your luggage every day to the next hotel. If you have a breakdown, then our driver will take care of everything for you. If you have any problems – contact the driver or our office.
