

# SELF-GUIDED CYCLING TOUR ALONG THE LITHUANIAN SEASIDE

8 days / 7 nights, from/to Klaipėda

*Discover the Baltic Sea coast visiting Palanga Resort and the Curonian Spit National Park, designated by UNESCO as a World Heritage Site, explored individually by bicycle on very scenic cycling routes. Experience traditional Lithuanian country life when cycling in the Nemunas River Delta region. This tour partly covers the Seaside Cycle Route which was the first officially signposted, high quality cycle route in Lithuania opened a decade ago. The tour begins & ends in the historic coastal town of Klaipėda (known as Memel for many years) which boasts a rich, turbulent history from 13thC. Nowadays, it's a bustling, modern town offering many excellent leisure options ranging from history tours, to water sports. There's a wide range of cafes & restaurants & many annual festivals, e.g. jazz, folklore. Guests can choose to spend extra nights here either at the beginning or end of the tour. Guests spend 2 nights in Nida the largest settlement on the Curonian Spit. It's the perfect place to enjoy a relaxing seaside break or explore on foot, by cycle or canoe its unique surroundings; its geology, birdlife, the influence of the Lagoon etc.*

**Cycling grade:** We rate this trip Easygoing to Moderate. You will cycle on low traffic roads (a few stretches on gravel/sandy road) and separate cycle paths (half of the tour), including the Lithuanian Seaside Cycle Route. The terrain is dead flat most of the tour, except a few hills on the Curonian Spit.
