

CYCLING IN LITHUANIA – FROM THE CAPITAL TO THE SEASIDE (Vilnius – Curonian Spit – Klaipėda)

9 days self-guided cycling tour from Vilnius to Klaipėda (code: SG2)

Cycling from Vilnius through changing countryside & towns, this route takes cyclists through a little-known, fascinating corner of Europe. The tour begins in the capital, Vilnius, known as the ‘Jerusalem’ of the North because of its Jewish culture. The cycle route first leads to Trakai & its 14thC island castle before heading towards Kaunas, a former Lithuanian capital. Follow the Nemunas River from Kaunas to the coast, cross the unique Curonian lagoon by boat to the beautiful resort, Nida. Cycle along the spit to explore its treasures before taking a ferry back across the lagoon to the historic coastal town of Klaipėda (known as Memel for many years) which boasts a rich, turbulent history from 13thC. Nowadays, it’s a bustling, modern town with a wide range of cafes & restaurants & many annual festivals, e.g. jazz, folklore.

Cycling grade: We rate this trip as moderate level. Daily biking routes mainly on low traffic roads, only a few stretches are on main roads with more car traffic, and cycle paths range from 33 to 76 km (21-48 miles) each day. The terrain is varied and rolling with some gradual hills on some riding days around Vilnius and on the Curonian Spit.

Arrival & departure information: Arrive in Vilnius or Kaunas (100 km from Vilnius) and depart from Klaipėda (by ferry) or Palanga (plane) or take a train back to Vilnius or Kaunas and fly out from there.
